Not only did he leave a well-paying position at Microsoft, but he also left the love of his life. She wanted to follow her heart in the corporate world, and he wanted to do service work in Nepal, which would give him the opportunity to help some of the poorest people in the world with an education.

Leaving Microsoft to Change the World chronicles John Wood's struggle to find a meaningful outlet for his managerial talents and entrepreneurial zeal. For every

high-achiever who has ever wondered what life might be like giving back, Wood offers a vivid, emotional, and absorbing tale of how to take the lessons learned at a hard-charging company like Microsoft and apply them to one of the world's most pressing problems: the lack of basic literacy.

Leaving Microsoft to Change the World Wood took a vacation from his work at Microsoft in 1998 to trek through the Himalayas . [14] While trekking, he met a "resource director" for the schools in the Annapurna Circuit of Nepal , with whom he visited a primary school that contained 450 children and only a handful of books—none age-appropriate.
