The Lady Who Loved Him by Christi Caldwell - FictionDB

Men and women display their love and affection in different ways, besides the rare ultra-sensitive male. So, love can be confusing for a woman at times. That's because, the truth is that men and women think differently. "Yesterday, he was the nicest guy in the world, and today he's a complete jerk. I just don't understand," is a common, legitimate statement that is heard all too often from women.

8 Behaviors Men Show When They're With Their True Love

The woman who loves you the most before you've found yourself and made it in life is the one who would have stood by your side through everything. You will regret losing this woman because the other women who will love you when you're at your best may easily say goodbye to you when they see you at your low points in life.
