A family oriented program to help families make positive lifestyle changes in the areas of nutritional education, physical activity, and self esteem

- Fun family nutritional education
- Hands on healthy snack preparation
- Quick and easy healthy snack/meal ideas
- Child's BMI / body fat percentage test

Testimonials

"Everything was great. The Rockin' event went real smooth and the kids loved the Inflatable Pony Hops. Greg did a great job of setting up and the girls that you had working were AWESOME. I wish that we could get them for every event."

Steven Tompkins, Senior Development Officer Trinity High School

"The Stevenson's offer GOOD VALUE and good service and are SAFETY focused"

David Garrard, St. Matthews Baptist Church

"We had an absolutely FANTASTIC day today. The kids said it was the 'BEST FIELD TRIP EVER!' You guys did an OUTSTANDING job of preparing for a group of 11 year olds, with adequate staff, food, fun and prizes. Your staff really deserves congrats for being "cool" to this age group. We are so pleased and feel it was a great time for all - with little stress for anyone. Thanks for your professionalism and your funism!"

Valerie Watts, Wilder Elementary
